

RULES FOR BOW DEER

1. Any deer shot must be reported to Lenn Rohde before you look for or track the deer. 920-293-4374 or cell: 920-229-9143. Stay within your designated hunting area and respect other hunters.
2. We only harvest bucks scoring 125 Pope & Young or larger. Absolutely no shooting of does, fawns or buck smaller than 8 points. The surrounding land is all privately owned and hunters also, following QDM practices.
3. A safety belt or harness must be worn at all times while hunting out of a tree stand.
4. Please take everything off the property that you took on it, including any food items and litter.
5. Alcoholic beverages are prohibited in the hunting area.
6. Driving and stalking deer are prohibited.
7. Smoking or chewing tobacco anywhere in the hunting area is prohibited.
8. Walk to and from your designated tree stand only. Park in designated areas only.
9. You must be "scent free" when in the hunting area. Scent elimination products are required to be worn to help reduce human scent.
10. Daily showers and the use of scent-free soaps are required.
11. Be sure to check tree steps or climbing steps for stability before climbing up to your stand.
12. The use of ATV's anywhere on owners' property is forbidden unless written permission is granted.

The Rohde family want you and fellow hunters to have a safe and enjoyable hunting experience. If a safety or other situations of concern arises, please contact Lenn Rohde immediately.

If you have any questions about the hunt, please call me at any time, 920-229-9143.
